Jon Kepler Announces Latest Acquisition

September 1, 2015, Owen Sound – Jon Kepler is pleased to announce today that he has purchased 371-375 15th Street East. Built between 1874 and 1876, this eight unit apartment building features many classic accents including high ceilings, original wood floors and grand bay windows.

“I am excited to announce that we have completed this transaction. This deal represents our largest apartment building purchase to date. This is our fifth acquisition in four years, and I remain especially optimistic about the local rental housing market,” said Mr. Kepler, Founder of Kepler Real Estate Holdings & Management.
